

## RETAIL

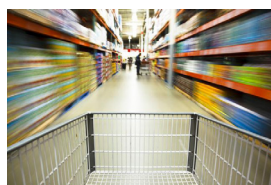

## Retail Logistics

### Open around the clock, around the world

Kuehne + Nagel supplies strategic, value-driven logistics solutions to the retail sector, using experts who understand the unique requirements and standards of the industry. We help our clients to drive logistics efficiency and competitive advantage across the supply chain. Increasingly, clients need logistics providers who can reliably manage their flows, from source to shelf, and control all other supply chain issues, freeing them to concentrate on their core activities. More and more clients see the value of our unique and tailored solutions and select Kuehne + Nagel as their logistics partner.

#### OUR GOAL

Kuehne + Nagel shall be the first choice provider of logistics services for the norwegian retail industry. We deliver tailored, optimal solutions to fit our clients' possibilities, needs and demands - from plain and simple, to advanced and complex solutions.
